

12 AND 24 HOURS *of* FLATHEAD

To whom it may concern,

The 12 & 24 Hours of Flathead is a mountain bike race to provide adaptive equipment and recreational opportunities to those living with paralysis and other life altering disabilities. Now in its fifth year, the 12 & 24 Hours of Flathead race continues to strive to expand the use of inclusive and adaptive sports to the greater Flathead Valley. In order to meet our mission and provide services in our community, we rely on the generosity of individuals and businesses for support. Without the assistance of community-minded individuals like you, we wouldn't be able to serve those living in our community each year.

The 12 & 24 Hours of Flathead strives to provide scholarships to individuals in the Flathead Valley who are living with paralysis or other life altering disabilities. The scholarships awarded will go towards the purchase of adaptive equipment; off-road wheelchair, adaptive bike, adaptive paddle boards, adaptive ski's, adaptive kayaks, college courses, and so much more! We are writing to ask you to support our organization this year with a donation from your organization. Your generosity will make a difference in our community by allowing us to continue hold such an awesome event!

Remember, your donation is 100% tax deductible!

Thank you in advance for your support!

Sincerely,

The 12 & 24 Hours of Flathead organizing team
