

# 12 AND 24 HOURS *of* FLATHEAD

Dear Local Business Owner,

We are reaching out to see if you would help us in promoting our bike race! We are aware that Montana is filled with people who enjoy mountain biking, hiking, fishing and all the other amazing outdoor activities that Montana has to offer, so we thought to ourselves, what would be a great way to reach more people besides online marketing?...A letter to local businesses!

We are 12 & 24 Hours of Flathead which is a relay mountain bike race held right here in Kalispell at Herron Park on August 18 - August 19. **Our non-profit provides adaptive equipment and recreational opportunities to those living with paralysis and other life altering disabilities in the greater Flathead Valley.** Now in its sixth year, the 12 & 24 Hours of Flathead race continues to strive to expand the use of inclusive and adaptive sports to the greater Flathead Valley.

**We are writing to ask for your support this year by sharing our race with your employees in hopes that they would register solo or in a team and/or the possibility of donating or sponsoring your employees!** On the second page, you will find "How to Donate" and "How to Sponsor a Team".

Your generosity will make a difference in our community by allowing us to continue to hold such an awesome event!

**Remember, your donation or sponsorship is 100% tax deductible.**

Thank you in advance for considering supporting our cause!
